Dear Mr. and Mrs. Blackburn:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order ("Order"), Docket No. SDWA-08-2003-0025, issued to River Bend on September 29, 2003. Based on the information you provided, EPA has determined that you recently complied with the requirements of the Administrative Order.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWRs"), 40 C.F.R. part 141 and the State of Montana's requirements. Violation of the NPDWRs, Montana's requirements or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

If have any questions about your compliance requirements, please call Eric Finke at (406) 457-5026 or Michelle Marcu, Enforcement Attorney, at (303) 312-6921.

Sincerely,

  
John F. Wardell
